Enjoy our Food at Home

The meat in the Coffee Shop is supplied by our butcher, former **UK Young Butcher of the Year**. Our kitchen's range of handmade pies and quiches are available to order whole, and to purchase as portions from the Food Hall.

Our desserts are also available to order. If you haven't got room for pudding, we will happily package one for you to take home. In the Food Hall you will find a selection of cakes, traybakes and scones made here at Country Harvest or at our bakery in Bentham.
